The Senate of Hermetic Philosophers of Virginia is congratulated on being the first legal body warranted in the Ancient and Primitive Rite by the Sovereign Sanctuary of the United States of America.

At last the ceremonies, traditions and rituals used in the Sovereign Sanctuary of our Most Illustrious Brother John Yarker in England 1870, the Ancient and Primitive Rite is restored within the United States of America. The Sovereign Sanctuary of the USA's aim is to establish Chapters of Rose Croix, Senates of Hermetic Philosophers, Mystic Temples and Sanctuaries throughout the United States of America to all worthy and enlightened Brethren who meet the qualifications of the Ancient and Primitive Rite.

Finally, special thanks are given to our Most Illustrious Brother J. Siegfried TONJE, the Sovereign Grand Conservator General of France and to for his assistance and support in the Ancient and Primitive Rite to the Sovereign Grand Conservator General of the USA.
